
The bank's contribution towards the local community and the environment.

The bank's contribution towards the local community

The bank has always placed the role it plays in serving the local community among its top priorities. The bank has contributed in a number of social activities and played a major part in most of them; below are some of those activities:

- Further to the establishment of "Société Générale De Banque - Jordanie's Scholarship Fund" in cooperation with the Ministry of Higher Education and Scientific Research, the bank offered for the third consecutive year ten scholarships for the financially disadvantaged distinguished Jordanian high school graduates based on the set criteria.
- The bank has continued to cooperate with Injaz through adopting four public schools on the silver sponsorship level, where a number of the employees volunteered to teach at the chosen schools.
- The bank continuously cooperates with King Hussein Cancer Foundation and with Al Aman Fund for the Future of Orphans through placing the foundation's donation boxes in the bank's branches.
- The bank contributes indirectly in supporting the non-profit institutions aiming at social development through the acquisition of the bank's gifts offered to clients and employees from institutions that offer local products such as Jordan River Foundation.
- The bank cooperates with Shams Jordanie, an NGO that offers care for the elderly who reside at Gaza Camp in Jerash by providing meals to beneficiaries on a regular basis.
- In line with the bank's belief in preserving the old heritage and reviving it, the bank has continued to sponsor "Souk JARA" and "Mahrajan Haretna" which are dedicated to reviving the old neighborhoods in Amman.
- During the "Citizen Commitment Week" which is organized annually by Société Générale Group, the bank held a breakfast in cooperation with King Hussein Cancer Foundation where some of the King Hussein Cancer Center's (KHCC) female patients were invited. Moreover, the bank has organized a special blood donation campaign for the benefit of the KHCC patients, in which the bank's employees generously donated.
- The bank has signed an agreement with JOMOTECH which is part of Manaseer Group; where the bank will finance the students and the employees of the University of Jordan and the employees of University of Jordan Hospital to buy computers. This cooperation comes in line with the bank's belief in the importance of providing all the needed facilities for all especially students which is fundamental for building a strong empowered society.
- In line with the bank's belief in the importance of road safety and the need to reduce traffic accidents, the bank and in cooperation with Hikmat Road Safety and with the support of Greater Amman Municipality has financed the construction of a pedestrian bridge in front of Social Security building.

- The bank has signed an agreement with the French Cultural Center where the bank offers financial support for the events and exhibitions organized by the Center.

The bank's contribution in preserving the environment

Due to the importance of preserving nature, the bank continuously renews its membership in Jordan Environment Society which won numerous awards due to its vital role in preserving the environment. Moreover the bank is highly concerned about studying the incurred risks from any projects or contracts financed by the bank.
